### Australia

Postage and delivery charges are calculated automatically as you shop and are included in the overall cost of the order. Postage charges are based on the current Australia Post charges for large letters or parcels, according to the size of the order. There can be up to 10 items in a parcel. For customers in Australia, orders of three or more items will normally be sent in prepaid parcel post satchels. Orders of up to 2 items are sent at large letter rate.

### Overseas

Postage and delivery charges are calculated automatically as you shop and are included in the overall cost of the order. Postage charges are based on the current Australia Post charges for large letters or parcels, according to the size of the order. There can be up to 10 items in a parcel. There are four overseas charging zones based on those of Australia Post. When you select the relevant zone in the postage section of the shopping cart, the postage for that zone will be calculated automatically as you shop.

The four zones are:

- Zone A- New Zealand
- Zone B - Asia/Pacific
- Zone C - USA/Canada/Middle East
- Zone D - Rest of the World

### Exceptions

Donations and Society Membership Subscriptions made online attract no postage.

### Delivery Times

As orders are processed individually as they are received, delivery times can vary. We aim to deal with each order promptly and to have it shipped within 10 days.
