

## Concert Party

*An Evening with        Gilbert and Sullivan*

The Gilbert & Sullivan        Society of Victoria Concert Parties have proved to be an excellent source        of revenue for fund-raising groups and for the Society. We have performed for Service Clubs, Church Guilds, Bowling Clubs etcetera.

If you are involved        in, or are aware of, fund-raising groups that may be interested in having        a Concert Party performance at their function, please contact us or pass        on our contact details.

The Concert Party        in its current format was established in the early 1980's. Auditions are held, and a seasoned group of performers is waiting to entertain you.

A normal programme        comprises a narration of the lives and collaboration of Gilbert and Sullivan,        interspersed with excerpts from the 14 shows they co-wrote. Requests for particular items can usually be accommodated given two weeks notice.

Shorter, tailored        programmes are negotiable.

[Email        Us](#) if you would like us to perform a concert party at your venue.
